Help & Tips

This map is interactive, you can pan around and zoom in and out. You can also view images of the hospital departments and features. Follow these tips to fully benefit from the features included. We hope that these tools will assist you in your hospital experience.

Pan and Zoom

To pan around the map image, click anywhere on the map with the left mouse button and drag in any direction. To zoom in and out, click the + or - key or drag the triangle slider button up or down.

View Aerial Photography

You can view your parking route over an Aerial View of the campus by clicking the "Aerial View" button in the top bar of the map.
